The need for long-term care is increasing. At Blue Valley Lutheran Homes (BVLH), we remain committed to providing quality care and support for our residents. We would love to have you consider being a sponsor and to play in the tournament.

Our goal is to raise over \$15,000 and we need your help! All proceeds will go towards adding a driveway to The Gardens entryway. This will allow residents to have easier access to vehicles for doctor's appointments and be more convenient for family members and friends to visit their loved ones.

Since its establishment in 1999, the Foundation for Blue Valley Lutheran Homes (BVLH) has worked for the betterment of residents. Care provided in each of the facilities include:

- Nursing Home - skilled care, rehabilitation services and hospice care
- Care Home - respite or long-term care for individuals with mental or behavioral challenges
- The Gardens - Alzheimer's, dementia and memory support
- Courtyard Terrace - assisted living facility

While operations cover the daily expenses, it is because of the Foundation's and your continued support that the residents are able to enjoy the "extras." We are extremely grateful for all of you have done for BVLH and look forward to a continued relationship with you!
